ABOUT ME

I am in my last/third year of schooling.

What defines me is my ability to think outside of the box. I am known for my in-depth ability to come up with multiple solutions to a problem or troubleshoot if necessary.

Looking for a dynamic and challenging job to continue developing my career.

SOFT SKILLS

- Problem-solving
- Easily adaptable
- Effective communication
- Detail-oriented
- Collaborative

WORK EXPERIENCE

Vendor Master - Accounts Payable

2020 - 2022

Align Technology | Costa Rica

At Align Technology, I was responsible for creating and overseeing client profiles, including but not limited to dental clinics, providers, and doctors' offices. These services involved distribution and reimbursement of expenses in collaboration with the company.

Invoice Processing - Accounts Payable

2018 - 2022

Align Technology | Costa Rica

Helped Align to record invoices from global suppliers in the SAP system for subsequent payment. As a part of this process, I closely analyzed invoices from clients within purchase orders and cost centers.
